

Waid Highlights 25/26

It has been another busy and eventful year at Waid Community Use. In addition to some new groups joining us we are also grateful for groups that continue to book with us and recommend our premises to others. Our hard-working staff team take pride in what they do and through customer feedback we remain a popular, friendly and enjoyable place to be. This is down to our great facilities and warm and welcoming staff.

Football News

Elite Football Training and Camps

Delighted that Elite continue to use our facilities to train and deliver coaching, their excellent reputation continues to grow. In addition to running successful football camps at Waid and Cupar, Elite run training sessions here on Friday afternoons. Supported by fantastic coaches this group provides the following services:

- ⚽ | Professional Football Coaching
- ★ | Team sessions
- 🎯 | Small group focus
- 🏃 | Physical Performance
- 😎 | Holiday camp sessions

New Trusted User Groups

Crail Football Club

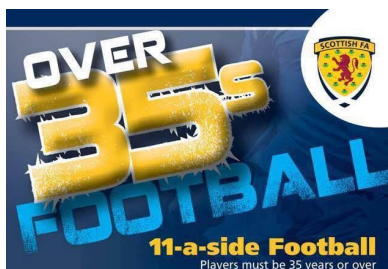

Crail and PYFC have successfully gone through Trusted User training and now use our facilities on Sunday mornings at no extra out of hours costs to them. The Astro is also discounted at the weekend so this is proving a great deal for the teams to practice and play games. Crail is now joining us during the week for training sessions too.

Pittenweem Youth Football Club

Over 35 Football League

Happy to host the St Monan's home games Friday night Over 35's League! Great to be able to support this initiative.

Three or four different sports on offer every Friday alongside arts and crafts and games

Our Staff at Frappy work tirelessly to ensure they offer a wide selection of sports and crafts that are engaging and relevant to our customers. Our programme is set by the young people who attend. We continue to be supported by the East Neuk Lighthouse, in particular Audrey Coburn. Audrey and her team provide us with different, interesting arts and crafts through the year that include mindfulness activities and a safe space for our young people to sit, chat and be creative. Attendance is high – averaging around 80 young people in the sports hall and 30 - 40 on the Astro.

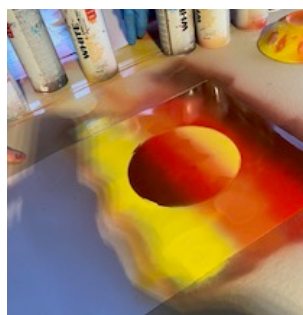

P7 Leavers Plate – tradition at Frappy now

The craft table is always busy when Lighthouse is here. An oasis of calm amongst the buzz of Friday night at Frappy!

Weekly posters to welcome our new intake of P6 pupils heading to P7 after the summer.

Otto Cox from CLD came to do a spray-painting workshop at Frappy. Paints used were purchased from Norah Webber funding. A few Frappy staff now able to deliver this workshop.

First Responders at Frappy

Always a great night and huge number of young people guided through basic first aid and defibrillation training delivered by East Neuk First responders. We had the added bonus of a visit from Honey the guide dog puppy too!

Our Frappy transition begins a year earlier than the schools. From early June those pupils going into P7 after the summer can come along to Frappy. This gives this group the opportunity of a whole year to make new friends from different primaries before they head up to Waid Academy a year later.

Waid Cluster Transition Day– Elie Sports Club and Elie Watersports

I was invited along by Active Schools to support this event in June. What a fantastic day the young people had and it was great to be involved. Activities included paddleboarding, golf, tennis bowls and I hooked up with The East Neuk Lighthouse who were delivering crafts on Elie Beach. What a wonderful setting for the P7's to meet others from different schools whilst enjoying crafting.

Junior Art Class

After seven years of weekly art classes and many holiday art camps we say goodbye to Jane and our fantastic volunteer Kayleigh who has racked up an amazing 200+ Saltire recorded hours working with us. Jane Kept our youngsters busy and creative and we will miss her so much. We have started recruitment for a new arts tutor and hope to have someone in place in the Autumn. Watch this space!

Large Events

Haddies Run – September and November

Always a highlight in our calendar! The Haddies 10k Run in September brings the building to life and creates a terrific atmosphere. Our facilities are fantastic for this type of event and there is always very positive feedback. In addition to the yearly September event the Haddies also hosted a regional running event in November in the Atrium area.

Family Learning Roadshow - October

Such a great event held during the school holidays in various venues over the East Neuk. We were lucky enough to host the October one. Supported by the East Neuk Youth Group, library, local groups and Active Schools The Family Learning Roadshow provides an opportunity for the community to come together share food and take part in loads of free activities. The Atrium area was buzzing with families enjoying a great afternoon out. We hope to host again in October this year.

Harbour Lights show - March

Everyone in the community looks forward to Harbour Lights show week in March and this year was no different. There is no buzz quite like the build up to the three (sell out) shows! This year was no different. The months of rehearsals, commitment and effort of staff and young people pays off and the audience was treated to a great show. Well done everyone. We can't wait for next year's show - drum roll please.....

Beauty and The Beast!

Kingdom of Fife Orienteers

Word of mouth is everything! A group looking for a large venue to host an event were pointed in our direction by a participant of the Haddies running event. We are in the process of confirming booking from Kingdom of Fife Orienteers, (KFO) who intend to hold the Scottish Orienteering Sprint Championships in March 2027 in Anstruther. They are currently having an orienteering map made of Cellardyke and a part of Anstruther East and will use this map at the event. The group will use for race registration and a social meeting point for the expected 250 participants.

Basketball success

This time last year Med Kapasi approached us looking for a suitable space to run basketball. The timing could not have been better as both Community Use and PE were constantly being asked for more basketball! Med is now running classes both in the main building and the sports hall and held his first camp in Easter.

Multi Sports Camps

A successful multi sports camp was held in Easter and ran over three days with 60 young people in attendance each day. Active schools and Ambassadors will be running a summer camp supported by Community Use staff.

East Neuk Youth Group

Facilitated by Community Use this groups is made up of partners from school reps, CLD, Active Schools and voluntary groups that operate in the area with a remit for working with young people. The group share updates, good practice, funding initiatives, share resources and ensures we are not duplicating but working together.

Looking for additional income?

We are always on the lookout for Tutors and Instructors. If you have a skill you would like to share but are not sure how to go about starting a class then email margaret.samson-cu@fife.gov.uk. We can provide advice and support to individuals and groups and have a start-up scheme to help you get on track.

Summary

These are just a few of the highlights of the last year but we have much more going on at Waid during the year. From Pilates, Tai Chi, Creative Writing to football, rugby and hockey. There is something for everyone! If you are looking to hire a room or book an area for a sports activity email communityuse.waid@fife.gov.uk
